

FOR THE MAN WHO LIKES TO
BE OUT OF DOORS

If you are the kind of man that likes to whack the old pill around the lot or chase the pigskin down the field or hunt or fish or tramp the long, long trail that leads to travel and adventure, there's a place for you in the U. S. Marine Corps.

Exercise and organized athletics are more than mere recreation to the Marine. They form a definite part of his working day, ranking in importance with his drills and other military instruction.

The Marine Corps is a huge athletic association where every man must play some game or engage in some form of competitive sport. This builds healthy bodies and keen, quick minds. And Marines need them in their business.....afloat or ashore, at home or on duty "beyond the seas."

If you want to know more about the advantages of an enlistment in the Marine Corps drop into the nearest Recruiting Office or, if there is none in your town, ask the Postmaster.
